Collect the Following Documents

These documents must be submitted with this file and all other documents needed for your application. Review the instructions on the last page for how to send in your application documents.

Course Content

- Submit supporting information and materials for what will be taught in your course.
- Examples of course content include:
 - Activity outlines, curriculum, handouts, workbook, syllabus, videos, slide deck, web links, supporting text(s), etc.
- The more supporting course materials you submit, the less likely your review will be to encounter a time delay caused by requests for more documentation.

Lesson Plan or Course Agenda

- Submit documentation that gives an overview detailing how activities and learning experiences flow throughout your course.
