

WELCOME TO SCRUM ALLIANCE®

Congratulations on completing the Certified ScrumMaster® (CSM®) course and taking the next step on your agile journey.

Next: Pass The Test To Earn Your CSM Certification

1. Watch for your official welcome email from Scrum Alliance.
2. Log in to your Scrum Alliance dashboard at scrumalliance.org to accept your License Agreement and access the CSM test. Your dashboard is also where you review your profile and, manage your Scrum Education Units® (SEUs).
3. Pass the CSM test by correctly answering at least 37 of the 50 questions within 60 minutes. You have 90 days and two free attempts to pass the test. Please see details online.

You Earned Your Certification. Now Maintain It!

Your certification is valid for two years. We'll send reminders as your renewal date approaches. To maintain your certification, you're required to complete 20 Scrum Education Units® (SEUs), along with \$100 renewal fee every two years. It's easy to earn SEUs and by doing so, you'll stay relevant and competitive. Learn more about SEUs here: scrumalliance.org/get-certified/scrum-education-units

Keep Going >>>

Meaningful training helps you stay current with best practices. Plan the next step in your agile journey at scrumalliance.org/get-certified. Again, congratulations and welcome to Scrum Alliance, the world's largest association of agile practitioners and Scrum certification body. Our nonprofit organization will be here to support you along your agile journey with an engaged community of practitioners, avenues to further your knowledge, and ongoing encouragement. Thank you for helping transform the world of work!
